

President's New Freedom Commission Six Goals

- President's Goal 1: Americans Understand that Mental Health is Essential to Overall Health
- President's Goal 2: Mental Health Care is Consumer and Family Driven
- President's Goal 3: Disparities in Mental Health Services are Eliminated
- President's Goal 4: Early Mental Health Screening, Assessment and Referral to Services are Common Practice
- President's Goal 5: Excellent Mental Health Care is Delivered and Research is Accelerated
- President's Goal 6: Technology is Used to Access Mental Health Care and Information

Washington's TWG Added Two Goals to the New Freedom Commission Goals

- Washington's Goal 7: Individuals with mental illnesses have stable housing in the communities where they live.
- Washington's Goal 8: Employment is an expectation and a priority in Washington for people with mental illness.
